The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Crescent View West Public Charter School plans to spend for 2021-22. It shows how much of the total is tied to planned actions and services in the LCAP.

Crescent View West Public Charter School plans to spend \$27,005,708 for the 2021-22 school year. Of that amount, \$26,979,968 is tied to actions/services in the LCAP and \$25,740 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Our independent study program implements a personalized learning experience for all students, including English learners, low income, Foster Youth, and Special Education students that is carefully designed to address their unique academic and socio-emotional needs. To serve our At-Promise and highly mobile population, expenditures are budgeted for, but not limited to, teacher and staff salaries and benefits, student interventions, curriculum development, professional development, materials, hardware and software. Not included in the LCAP are the following:

- \* audit fees
- \* legal expenses
