		<p><i>This is the first year we are taking Title I, Part A funds. We are a Targeted Assistance School (TAS) this year. We will be granted additional funding to focus on providing additional academic support for a targeted group of students. The additional funds will be used to focus on a targeted group of students the school has identified as the most academically at-risk. Thank you so much to those who participated and provided feedback for our Family and Parent Engagement Policy as well as our School-Parent Compact . Both of those documents are being finalized and will be presented to the board for approval this quarter. Students and parents have been notified of their participation in our Title I program this year and will now begin receiving services.</i></p> <p>SARC Report - Luna <i>Now on the website for you to view!</i></p>
