IV. School Reports and Information

A.

Mid-Year Report on the 2021-22 Local Control and Accountability Plan (LCAP)

Rafael Aguilar explained that several new state funding sources were approved after local education agencies (LEAs) had finalized their LCAPs for the 2021-22 school year. To link accountability for the new funding to the LCAP process, AB 130 established a one-time requirement for a mid-year report to the school's governing board to include three components: 1) the Supplement for the Annual Update for the 2021–22 LCAP, 2) all available mid-year outcome data related to metrics identified in the 2021–22 LCAP, and 3) mid-year expenditure and implementation data on all actions identified in the 2021–22 LCAP.

Mr. Aguilar discussed the additional 15% concentration grant add-on funding to increase staffing for direct service to students at schools with 55% or more pupils who are low-income, English learners and/or foster youth and reviewed the school's 2021–22 Supplement to the Annual Update to the 2021–22 LCAP and Budget Overview for Parents. The school received \$808,409 for the additional 15% concentration grant add-on funding.

Mr. Aguilar presented the school's 2021-22 LCAP mid-year data report and the school's progress on its year-to-date goals and prior school years 2019-2020 and 2020-2021. Finally, Mr. Aguilar presented the school's 2021-22 LCAP actions and services mid-year report detailing the school's year-to-date spending information and implementation data.

Mr. Aguilar then asked if any board members had any comments or questions regarding the mid-year report on the 2021-22 LCAP.

B. The Board will hold a public hearing to solicit the recommendations and comments of members of the public regarding the A-G Completion Improvement Grant Program Plan

Shellie Hanes provided background information to the board regarding the A-G Completion Improvement Grant Program Plan, a state funding opportunity which will be apportioned to schools to spend from fiscal years 2021–22 to 2025–26. The school will be informed of the funding amount by the end of January 2022 by the California Department of Education (CDE) and the funds will provide additional help to increase the number of high school pupils, particularly unduplicated pupils, who graduate from high school with A–G eligibility.

Ms. Hanes discussed the two conditions for receipt of the A-G Completion Improvement Grant Program Plan funding: (1) develop and adopt a spending plan by April 1, 2022, which must be presented at a public board meeting before the plan is adopted at a subsequent public board meeting; and (2) by August 31, 2026, report detailed expenditure information to the CDE.

Ms. Hanes explained the school anticipates funding in the areas of the A-G Access Grant and the A-G Learning Loss Mitigation Grant and will focus on the activities that directly support pupil access to, and successful completion of, the A-G course requirements. Finally, Ms. Hanes reported on eligible activities, programs and services to increase or improve A-G completion, measurement of data alignment, and approved measures indicating college and career readiness. Ms. Hanes further explained the school will review the A-G Completion Improvement Grant Program Plan and make refinements as needed to align with any organizational changes, school goals, and CDE requirements. The plan will be brought back to the board for final approval at the March board meeting.

Ms. Hanes then asked if any board member or member of the public had any comments or questions regarding the A-G Completion Improvement Grant Program Plan. Board President Renney thanked Ms. Hanes for her report.

Board Secretary Renner asked about how the grant benefits students going into college. Ms. Hanes informed the board this will help increase the number of students who will be able to go right into a four-year college after high school. Ms. Hanes will provide additional information to the board regarding the number of students who will benefit from this program at a future meeting.

VI. Action Items

A. The Board will be asked to approve the June 30, 2021, Annual Audit Report for the school

Guita Sharifi directed the board to the annual audit report and explained that financial audits are required annually and must be submitted to the school's authorizer, State Controller's Office, and the California Department of Education. The audit report is required to be submitted by December 15th each year; however for the 2020-21 fiscal year, the deadline was extended to January 31, 2022. Wilkinson, Hadley, King & Co. performed the audit for the 2020-21 fiscal year and reviewed the school's documents, financial statements, policies, and procedures. Ms. Sharifi then introduced Brian Hadley, Partner, CPA at Wilkinson, Hadley, King & Co., to review the audit report in detail with the board.

Mr. Hadley directed the board to the Executive Summary and explained this is a new section prepared by the school. Mr. Hadley then directed the board to Independent Auditor's Report

letter located in the beginning of the report and explained the school had an unmodified financial opinion, which is positive, and no adjustments or reclassifications were needed. Mr. Hadley next reviewed each of the financial statements and explained the purpose of each report and highlighted specific financial data.

Mr. Hadley then reviewed the last three pages of the report showing the school received an unmodified report with no findings for year end June 30, 2021 and no findings in the prior year audit.

Board President Renney thanked Mr. Hadley for his report.
