LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Our LEA is a Charter School. Charter Schools are funded only on current year ADA and are directly impacted by current year ADA fluctuations. There was a decline in enrollment this year, which reduced the Estimated LCFF Supplemental and/or Concentration Grants for 2021-22. The decrease in ADA contributed to a reduction in expenditures, within the Local Control and Accountability Plan; however, the Total Estimated Expenditures for Contributing Actions were above the Minimum Proportionality Percentage. Therefore, there was no negative impact on the overall percentage to increase or improve services for our high needs' students.
