IV. School Reports and Information

A. Principal Update

Ide Rodriguez-Tarango greeted the board and provided a presentation covering the school’s current enrollment (1,810 students), student utilization, and the average core credit completion rates for learning periods 1-8. Ms. Tarango then reviewed the current status of the school’s “ROCK 1” NWEA testing goal and “ROCK 2” CAASPP testing goal. Ms. Tarango then updated the board on the volleyball, basketball, and dance programs, including how they benefit students. Finally, Ms. Tarango highlighted the recent successful PAC and ELAC meetings, as well as the stakeholder feedback received on the school’s LCAP report.

Ms. Tarango informed the board they recently hired Assistant Principal, Eric Contente. She then shared information about a student who found success with one of their WIOA partners.

Ms. Tarango then asked the board if they had any questions and thanked them for their support.

Board Member Lien asked at what facilities the students play sports. Ms. Tarango informed the board they have been using the Clovis Recreation Center. Additionally, she informed the board that since the school has so many students interested in playing sports, they now have multiple teams who play against each other.

B. WIOA Update

Ide Rodriguez-Tarango discussed recent student participation and the ongoing WIOA partner representation at student enrollment. In addition, students are able to attend the monthly WIOA workshops where they learn about post-secondary options, resume building, and soft skills for the workplace.
C. 2022–2023 Eligibility for Comprehensive Support and Improvement (CSI) School Assistance Under the Federal Every Student Succeeds Act

Sara Luna greeted the board and explained the federal Every Student Succeeds Act (ESSA) requires the California Department of Education (CDE) to determine school eligibility for Comprehensive Support and Improvement (CSI). Last year, the California State School Board of Education was denied a waiver from the federal Department of Education to use the 1-year cohort graduation rate for its DASS schools as the primary measure for school improvement eligibility. The federal requirement is a 4–5-year cohort graduation rate, averaged over three years, that is below 68%, regardless of Title I funding status. With this change, the school is now eligible for CSI – Low Graduation Rate.

Ms. Luna then explained the CSI plan is currently under development and will be embedded into the 2023-2024 LCAP to be presented to the board at the June board meeting. The CSI plan will include evidence-based strategies to support students and will be developed with input from educational partners. The CSI plan will be based on a school-level needs assessment and identify resource inequities. Board President Renney thanked Ms. Luna for her presentation.

D. LCAP Goals and Metrics

Rafael Aguilar greeted the board and directed them to the LCAP goals and metrics located in their board packet. Mr. Aguilar reviewed the yearlong process to develop and finalize the LCAP goals and metrics and the engagement of school staff, parents, students, and community partners to provide feedback on the LCAP.

Mr. Aguilar then reviewed each of the school’s four goals and discussed a few highlights and areas of improvement.

- Goal 1: Increase academic progress: 100% of teachers are appropriately assigned. Credit completion increased to 2.99 with a focus on the reading and math scores.
- Goal 2: Students will gain skills for college and career readiness: all instructional materials aligned to state standards, access to broad course of study with a focus on increasing the current CTE participation rate.
- Goal 3: Increase student retention rate: 90% success rate and a 94% student attendance rate.
- Goal 4: Increase educational partner engagement: all metrics in this goal were met.

Mr. Aguilar concluded his report and asked the board if they had any questions. Board President Renney thanked Mr. Aguilar for his presentation.

E. School Survey Report
Rafael Aguilar directed the board to the school survey report located in their board packet. Mr. Aguilar reported that as a requirement for the school’s LCAP, the school conducted a survey in January-February 2023 and collected input and feedback from students, parents and staff. Mr. Aguilar explained the three survey sections and shared a few highlights.

- Student survey highlights: 100% of students feel safe at school, 94% feel connected, 98% are satisfied with amount of interaction with teachers, and 99% feel encouraged to attend regularly.
- Parent/guardian survey highlights: 95% feel connected to the school, 96% feel satisfied with the amount interaction with teachers, 88% reported that their child has an adult that really cares about their student, and 99% feel the school encourages their student's regular attendance.
- Staff survey highlights: 100% feel connected to the school, 97% feel staff and teachers go out of their way to help students, 98% state staff care about all students, and 95% of staff reported the school provides a quality education that focuses on the academic success of each child through personalized learning.

Mr. Aguilar then explained the survey data is used when developing the LCAP for the next school year. Mr. Aguilar asked the board if they had any questions. Jeff Brown thanked Mr. Aguilar and discussed the importance of student participation.

Board Secretary Renner commented on the results of the staff survey. Jeff Brown discussed the concerns reported in the survey by staff. Ms. Tarango commented on the inconsistent responses in some categories.

Ms. Sharifi then reviewed the LLAC promissory loan balance, cumulative borrowing, available balance, and current interest rate of 4%.

Sara Luna reminded the board of the purpose of the annual Declaration of Need (DON) forms, which ensure the school’s eligibility to apply for emergency and/or limited assignment permits for teachers. Ms. Luna explained this will allow qualified individuals to be authorized to serve in their teaching assignment while they are working towards completing the credential requirements for the educator’s assignment. Ms. Luna then reviewed the estimated number of Emergency Permits such as Provisional Internship Permits (PIP), Short-Term Staff Permits (STSP), Emergency Cross-cultural, Language and Academic Development (CLAD) permits, and Variable Term Waivers that will be requested during the 2022-23 school year.
