The Board will be asked to approve revisions to Diploma Path 2 – Special Circumstances for students aged 19 or older who are at risk of not graduating due to extenuating life circumstances, and Diploma Path 3 – Special Programs for protected student populations (state minimum)

Gagandeep Gill directed the board to the information located in their board packet regarding proposed revisions to diploma paths 2 and 3. She explained the school is requesting approval to revise Diploma Path 2 for students aged 19 or older and who are at risk of not graduating due to extenuating circumstances. The proposed changes reduce the credit requirements from 170 to 140, which also brings the total closer to the state minimum of 130. It also adds 5 credits for Work Readiness and 5 credits for Computer Literacy to ensure students graduate with essential career-preparation skills. This revision better supports older students facing barriers such as full-time employment, parenting, or relocation, as well as aligning with practices used in adult education programs across California.

Ms. Gill then explained the school is also requesting approval to revise Diploma Path 3. Path 3 eligibility will be limited to students identified under Assembly Bill protections, such as foster, homeless, adjudicated, or migrant students. Additionally, WIOA eligibility will be removed from this path to ensure those students are instead being served through the revised Diploma Path 2, which includes added workforce preparation components.

Pending approval, these revisions will go into effect on July 1, 2025.

H. The Board will be asked to approve the Local Control Funding Formula (LCFF) for school year 2025-2026, which drives the primary source of funding for the charter school

Guita Sharifi explained that LCFF funding is the primary source of the school's revenue and determines the funding for charter schools, which has two primary components: a base rate component that applies to all schools that depends exclusively on Average Daily Attendance (ADA) by grade span, and a supplemental and concentration component that depends on the percentage of the school's English Learners, foster youth, and low income students. The LCFF calculation is the largest source of the school's unrestricted revenue and is essential to budget and LCAP development. Ms. Sharifi reviewed the total LCFF revenue estimated to be received for the 2025-2026 school year, including the total supplemental and concentration funding. She then recommended the board approve the LCFF for the school year 2025-2026.

Guita Sharifi informed the board the school's budget is based on funding information from the Governor's May Revision to the state budget and will be adjusted in the future if there are changes to the budget when it is signed in June or in subsequent revisions during the summer.

Ms. Sharifi explained the May Revision to the State Budget estimates a shortfall of \$12B. However, the Education Budget remains relatively unchanged compared to January's proposal. The State is funding a COLA of 2.3% (compared to 2.43% in January) for LCFF sources and other programs, including State Special Ed and Mandated Block Grant. The budget is also allocating \$1.7B in one-time Discretionary Block Grants (compared to \$1.8B in January) for professional development, teacher recruitment /retention, CTE and dual enrollment programs, which will provide funding of approximately \$312/ADA. The Budget also includes a deferral of \$1.8B that will delay about 30% to 50% of June 2026 LCFF payment until July 2026.

Ms. Sharifi then discussed the school's projected ADA of 1,769 for the school year 2025-2026, which is the same level compared to the 2024-2025 school year.

Rafael Aguilar greeted the board and reminded the board the California Department of Education (CDE) uses the Consolidated Application, or ConApp, to distribute categorical funds from various federal programs to schools throughout California. Annually, each local educational agency submits the spring release of the ConApp to document participation in certain categorical programs and provide assurances to comply with the legal requirements of each program. Mr. Aguilar informed the board that after careful consideration, the school has decided to no longer accept Title I funds. This decision allows the school to maintain the resources, flexibility, and autonomy necessary to best serve its students. Mr. Aguilar then thanked the board and asked if there were any questions.

Ms. Sharifi then explained that the school has the opportunity to renew the Revolving Line of Credit (RLOC) with Hanmi Bank for the 2025-2026 school year in the amount of \$3.5M, at the current interest rate of 8.00%. Ms. Sharifi reminded the board that the interest rate is calculated at the greater of: (1) the prime rate

The note provides a maximum borrowing limit of \$1.5M, with an interest rate of 6%, and includes an option for the lender to adjust the rate once during the fiscal year based on market rate changes. Ms. Sharifi explained the amount is a maximum and the school may utilize it entirely, or not at all. Ms. Sharifi further emphasized this is an alternative financing option for the school to meet short-term cash flow needs and only if needed for the 2025-2026 school year. Ms. Sharifi then recommended the board approve the LLAC promissory note.
